

## ANNOUNCEMENT BOARD OF ASSOCIATE EDITORS

ARNE JENSEN

The five Nordic mathematical societies have recently appointed a board of associate editors for *Mathematica Scandinavica*. As a result, authors now have the option to submit their manuscripts to either one of the five national editors or one of the fifteen associate editors. This ensures that each submission is initially reviewed by an expert in the relevant field. Final decisions on acceptance remain the responsibility of the national editors.

For submissions, go to
